The Griffith Park Recovery Fund

The Department of Recreation and Parks Board of Commissioners established the Griffith Park Recovery Fund on May 16, 2007.

The fund was created to accommodate the outpouring of financial support offered by those wishing to help restore the park after the fire of May 8/9 devastated nearly 1,000 acres of urban wilderness.

The purpose of the fund is to receive private contributions to be used for park recovery needs not otherwise provided for by State, Federal, County or City monies earmarked for specific aspects of the massive, multi-agency recovery effort.

Griffith Park Recovery Fund needs include:

- Emergency equipment and supplies
- New containment wall for rock slide area along Crystal Springs Drive
- Improved park-user information resources
- Enhancement of fire prevention education programs
- Replacement/installation of park-user amenities
- Increased number of safe-disposal boxes for hot coals

Thank you for supporting the Griffith Park Recovery Fund.

“Out of the Ashes” is a free community event co-presented by

Symphony In The Glen
